SCIENTIFIC PROGRAM

ScienceQuest
CONNECTING MINDS, SHAPING TOMORROW

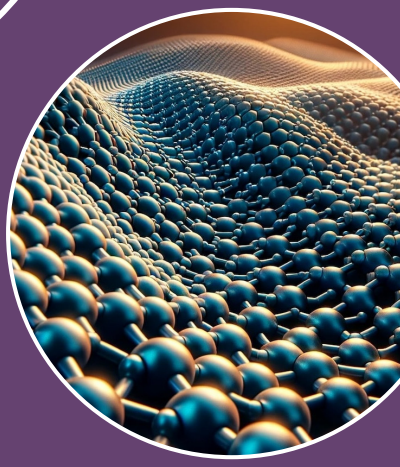

World Conference on
Nanotechnology and Advanced Materials

September 20-22, 2027 | Berlin, Germany

Theme : Advanced Materials for Energy Storage and Conversion

+19284055447
+1 (202) 813-9375
WCNAM-2027@science-quest.com
https://www.advancedmaterials.thesciencequest.org/

Conference Highlights

1. Keynote, Oral, Poster, and Workshop Sessions
2. International Speakers and Networking
3. Latest Advances in Nanotechnolog
4. Hybrid Participation (Online & In-person)

Time	Day 1: September 20	Day 2: September 21	Day 3: September 22
08:00	Conference Hall		
08:30	Registration & Badge Pickup	Morning Coffee	Review Sessions
09:00	Opening Ceremony	Keynote Session II	Keynote Session III
10:30	Networking Coffee Break	Poster Presentations	Networking Coffee Break
11:00	Session 1: Smart Food Tech	Session 3: Gut Microbiome	Session 5: Food Safety & IoT
13:00	Networking Lunch	Networking Lunch	Networking Lunch
14:00	Session 2: Alternative Proteins	Session 4: Sustainable Agri	Roundtable: Global Policy
15:30	Afternoon Break	Workshop: Digital Branding	Afternoon Break
16:00	Panel: Future Trends	Expert Forum: Lab-to-Market	Closing Keynote & Awards
18:00	Welcome Cocktail Party	Cultural Evening Tour	Conference Adjournment
Sponsorship/Exhibition			

VENUE:

BERLIN, GERMANY
